1 What is „Customized Design“?

We offer the possibility of individual color design and personalization of the devices with your own logo or the logo of your customers for all products of the series MAXLine, ALBRA, BRILAN, CIARO and SLIMline.

2 Positive side effect

You will receive a customized product that supports your marketing strategies and those of your customers efficiently by its exterior design. The not to be underestimated side effect of special designs: a custom made product is to identify more directly, even in a possible loss of the device.

3 Details

For the individual design principle, all RAL colors are available. Other colors are available on extra request. On orders of 50 or more for color requests in standard RAL colors no extra charges are demanded. We also assist you in determining accurate color and design specifications for your order.

4 Prices

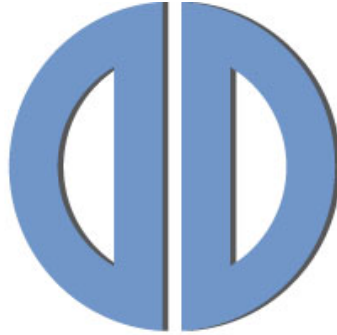

- Favorite color: All RAL colors, powder coated in fine structure.
Prices of the colors are extra on the standard version prices.
- Logo: Special colors can be all colors that need to be purchased extra.
